

## Poise & elegance

Exquisite executive task chairs feature elegant looks and state of the art functionality in a chair range ideally suited to the contemporary business environment. Subtle detailing, clean lines and class leading comfort combine to create a seating solution previously only available on a much larger budget.

### 97% recyclable

Exquisite executive task chairs are a minimum 97% recyclable. This figure improves with the choice of recyclable fabrics.

## The complete range

Featuring slimline, fully upholstered backs, generous angular style seats and a class leading synchronised mechanism, the Exquisit task chairs raise the bar in office seating design. The mechanism has unique rotary control of the synchronised seat and back lock and rotary tension adjustment; both these controls are retractable allowing easy access when required. The task chairs have seat sliders, inflatable lumbar and height adjustable back rests. They are superbly balanced, providing fluid but supportive free float movement for those who like to use their chairs in this manner. The range includes cantilever framed visitor chairs to create a cohesive visual style for all the seating requirements in an office environment.

### Standard Features
